

Systems Advocacy Framework 2010-2012

Vision

Our vision is to realise a just and inclusive society for all citizens.

Our Role

We will promote and protect the rights, autonomy and participation of people with impaired decision making capacity in our community.

Our Approach

We are committed to evidence-based systems advocacy that explores and extends our knowledge and influence on inclusive policy, programs and practices to promote improved life opportunities and outcomes for people with impaired decision making capacity.

Priorities for Focus

Promotion and protection of rights and interests ↔ Inclusion and access to the goods and services available to all citizens ↔ Sustainable service systems that improve outcomes

Key Result Areas (KRA)

KRA 1 – Knowledge and Evidence

- Use an evidence based approach to all research and information gathering activity
- Produce, integrate and translate knowledge for key audiences /stakeholders

KRA 2 – Communication and Influence

- Provide accurate, reliable and timely information to stakeholders on priority systems advocacy matters
- Develop effective communication strategies to promote and protect rights and interests

KRA 3 – Advocacy and Inclusion

- Promote and protect rights, interests and wellbeing
- Promote inclusive policy, programs and practice to improve social and economic participation
- Ensure government reform, policy and legislation considers and addresses rights and interests

KRA 4 – Business Processes

- Operate transparently and with accountability
- Ensure effective business and risk processes

Systems Advocacy Actions

- **Create and use knowledge** acquired through research and consultation
- Contribute to and advocate for policy and service environments that foster **rights promotion** in a sustainable and transparent way
- Encourage the **development of systems** that are inclusive, accessible and equitable
- **Communicate** about priority systems barriers

Priority Population

We will focus our efforts on people with impaired decision making capacity who experience the greatest exclusion and disadvantage.

Priority Setting for Action

We are committed to engaging with government to advance inclusive policy and legislative reform.
