Dear Sirs,

I wish to voice my opinion at your amendments to current optional preferential voting system.

Please do not change preferential voting system to make voting not compulsory. We don't want to be like America with a dumb down voting system. We want our citizens to have an opinion & engage seen ~~if~~ it every 4 years. They still have a way to opt out, pay a fine/or donkey vote or just turn up & get your name crossed

off. Voting has to do with every citizen not a current political advantage. Please leave his alone.

Only other thing I would like changed is the waste & harassment with voting cards on polling day. Just put one up of each party, or have a pile, take one if you wish.

Yours faithfully  
L. Gouletch
