## **Response to Electoral Reform Discussion Paper**

I wish to comment on the following sections of the Discussion paper only:

### **Part B – 1 Truth in Political advertising**

1. **Yes** truth in political advertising legislation should be introduced in Queensland.
2. **Yes** it should be extended to other inaccurate and misleading statements made by all political parties.

### **Part B – 3 Proof of identity**

Voters **should** be required to produce proof of their identity on polling days.

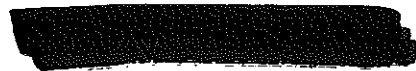

### **Part B - 7 Compulsory voting**

Compulsory voting **should remain** in Queensland State elections.

### **Part B – 8 Voting System**

The voting system used for Queensland State elections **should not** be changed.
